

Safety Alert

Communication of Safety Information

The Hazard

Bricks falling onto workers when cutting straps from double stacked bricks.

The Risk

Risk Score: High
Possible long-term injury.

What needs to be done?

Hudson Homes

Never allow or be involved in the practice of double stacking of bricks.

Hudson Homes Site Managers

- Assess your site and plan for storage prior to delivery.
- When site storage is limited brick deliveries are to be split. Contact the brick supplier prior to delivery to arrange delivery options.
- Must ensure this process is followed.

PLEASE DIRECT ANY QUERIES REGARDING THIS SAFETY ALERT TO THE HUDSON HOMES HSE MANAGER – Heath Moore 0419696536
